

REMARKS

Applicants again acknowledge with appreciation the allowance of claims 46 and 47 and acknowledge the indication of allowability of the objected-to claims 2, 8-14, 16, 18, 23-27, and 29-36, but for their dependence on rejected claims. Claims 1, 8, 10, 16, 23, 24, 28, 31 are amended in accordance with the Examiner's indication of allowability of claims 2 and 29. Previously withdrawn claims 37-45 and 48-81 are cancelled without prejudice to their underlying subject matter and will be made the subject of a divisional application. The amendment puts the claims in condition for allowance and no further search or examination is necessary. Applicants respectfully request that the amendment be entered and the claims passed to issue.
